If you were a member of Nationwide Building Society on 2 November 1997 and have continued to be a member since that date, the following wording does not apply to you.

Charitable Assignment

By applying to open an account after 2 November 1997, I also apply to be a charity member of The Nationwide Foundation ('the Foundation') unless I am already a charity member. I agree that, if the account is opened by the Society and I am or became a charity member of the Foundation, I will be bound to assign to the Foundation (or any charity(ies) nominated by it, but to no other person) the rights to any conversion benefits to which I would otherwise become entitled as a member or depositor at any time before, or within two years after, my membership of the Society comes to an end.

This agreement is irrevocable and authorises the Society to make over to the Foundation (or to any charity(ies) nominated by it) any such benefits without further notice to me. I understand that neither the Society nor the Foundation will release me from this agreement or vary its terms.

I understand that (except in the case of any class of person where the Society considers this to be inappropriate) the Society will require on behalf of itself and the Foundation that all applicants for share and mortgage accounts agree to the above condition (or a condition having substantially the same effect), unless the Society decides and announces by press release that it is no longer in the best interests of the Society to do so generally on a continuing basis. Any such decision by the Society would not have retrospective effect and I would continue to be bound by the above condition.

For this purpose 'conversion benefits' means any benefits under the terms of any future transfer of the Society's business to a company (i.e. on conversion or takeover) except the statutory right to have shares in the Society (including any balances on share accounts) converted into deposits with the company and, if the Society merges with any other society, after the date of such merger 'Society' includes such other society.

The terms and conditions of this application shall be governed by and construed in accordance with the Law of Scotland. The parties hereby submit to the non-exclusive jurisdiction of the Scottish courts.

NB If you amend this section or cross through it, your application will be invalid.
